APPLY NOW!
(no application fee!)

- Selection panel will choose the winners
- Innovation and impact will be considered
- Two categories based on size of enterprise

"Receiving the PROMISE award was an honour that motivated our team to develop more policies and mechanisms to combat marine litter. This acknowledgment of our team's hard work has not only given us a sense of achievement but also inspired other guesthouses and visitors to join the effort."

-Luau Beach Inn, 2023 Maldives winner

"It's truly an honor to receive the PROMISE award and this recognition is a testament to our collective commitment to sustainability. We believe this award will serve as a catalyst, inspiring other hotels to embrace sustainable practices and join the journey towards a more environmentally conscious hospitality industry."

-Citrus Hotel, 2023 Sri Lanka winner

"Upon receiving the PROMISE sustainability Award, our commitment to preventing plastic waste, reducing water consumption, and minimizing energy usage has been intensified. This award has also helped us receive the Environmental Ambassador Award from Kottayam District Collector, Kerala".

-Biryani Hut, 2023 India winner
